

**DALIT**

Don't touch me,  
Yes, I am a Dalit  
You need purification  
and lots of purgation.  
So, you just hesitate  
to touch, feed or meet me  
having false egos and limitations.  
Why, we are responsible for your sanitations ?  
Having many boundaries,  
from generation to generation  
Bound to suffer in pain,  
Like a barren land without rain.
